File Reference No. 1102-100, Comment on FASB Stock Option Proposal

Dear Mr. Robert Herz:

I am writing in reference to FASB's invitation to comment on its exposure draft, "Share-Based Payment," an amendment of Statements No. 123 and 95. I think this proposal will be very detrimental to American workers. We need all the benefits we can get. Laws, rulings, proposals, etc. should be written to encourage businesses to give more benefits to their employees, not put roadblocks in their way. Show me & all of the other Florida voters where you stand on helping out the American workers.

Sincerely,

Janet Drew 1500 Clover Circle Melbourne, FL 32935
