Subject: File Reference No. 1102-100, Comment on FASB Stock Option Proposal

## Dear Mr. Robert Herz:

I am writing in reference to FASB's invitation to comment on its exposure draft, "Share-Based Payment," an amendment of Statements No. 123 and 95. The idea of expensing stock options is an accounting fiction forced by a government desperate to solve a problem and willing to use the wrong method. Please do not encode this absurdity into our nation's laws.

Sincerely,

Will Walker AMD 2343 Timber Creek Dr. Fort Collins, CO 80528
