Dear Mr. Robert Herz:

I am writing in reference to FASB's invitation to comment on its exposure draft, "Share-Based Payment," an amendment of Statements No. 123 and 95. As an employee of SI International, it is essential to me to keep the ESPP as one of the company's incentives/benefits. The stock option plan allows me to grow as the company grows. The ESPP could also be an alternative to supplement income.

Sincerely,

Robert Carrillo
