Subject: EXPENSING OPTIONS

HAVING JUST READ THE SO CALLED "ENZAI" PROPOSAL, I WANT TO COMMENT:

STOP THE NONSENSE: ALL STOCK OPTIONS MUST BE EXPENSED IN VERY NEAR FUTURE. THIS VALUE IS SHAREHOLDER MONIES AND MUST BE HANDLED ACCORDINGLY. THE TECH PRESIDENTS AND ACCOUNTANTS NEED A SHORT COURSE ON HOW TO COMPENSATE THEIR EMPLOYEES. THERE ARE NUMEROUS METHODS OUTSIDE OF STOCK OPTIONS THAT DILUTE MY SHARES.

BEST REGARD, MORRIS C. FOUTCH, VANCOUVER, WA 98685
