

**“BLUE-RIBBON” PANEL WRITTEN SUBMISSION FROM
CONSTITUENTS**

Below are the responses from the questionnaire that was distributed in our office.

Page 2 and 3

1. No answer
2. a and b - No answer
3. (a) None, (b) Concern about integration of IFRS with GAAP (consistency etc.), (c) Broader
4. Really comes down to how easy the integration of U.S. GAAP and IFRS occurs and whatever GAAP survives in any of its current format or if there will be significant fundamental changes as a result of IFRS.
5. (a) None, no SEC work (maybe they would help being guinea pigs for my private CO's.)
(b) Not sure other factors affect my answer – central issues remain the same.
6. None
7. Individual
