Public Roundtable Meeting on Consolidation Reorganization and Targeted Improvements

FASB Offices

401 Merritt 7
Norwalk, CT 06856

Session time: 9:00 a.m. – 12:00 p.m. EST

(This meeting will be audio webcast and archived on the FASB website for 30 days following the meeting.)

The FASB will host a public roundtable meeting on its consolidation reorganization and targeted improvements project.

The purpose of the roundtable is to provide an opportunity for stakeholders to provide FASB Board members with feedback on whether the reorganization of the consolidation guidance and possible direction over potential amendments to common control arrangements under the variable interest entity consolidation guidance would decrease cost and complexity in financial reporting, while continuing to provide useful information to users of the financial statements.

The Board is expecting participation from both public and private financial statement users, preparers, auditors, and others. A staff draft of proposed changes to the consolidation guidance will be provided to participants no later than December 7, 2016.

Nonparticipating observers should [register in advance](#). (Seating is available on a first-come, first-served basis.)

Unless otherwise announced, all meetings are held in the Board room at the FASB offices and are video or audio webcast on the FASB website. Because meetings may change, please check the website for the most up to date information before finalizing plans. For a more complete listing of public meetings, including tentatively scheduled meetings, please view the [Notice of Open Meetings](#) on the FASB website.
