Dear Mr. Robert Herz:

I am writing in reference to FASB's invitation to comment on its exposure draft, "Share-Based Payment," an amendment of Statements No. 123 and 95. I am recently divorced having stock options has kept a roof over my head. times are tough but with the help of my stock options my company can afford to keep me and I can afford to remain in the bay area. options are a great part of my bennifit package and without them my life WILL be alot more difficult.

Sincerely,
