Dear Mr. Robert Herz:

I am writing in reference to FASB's invitation to comment on its exposure draft, "Share-Based Payment," an amendment of Statements No. 123 and 95. Dear powerful big brother, Please stop breaking this great country up into little pieces and giving it away to people who do not give a dam about Americans. You have given away most of our jobs to foreigners and now what we have left you want to continue to bankrupt the other companies that families have to depend on for finaces. That would deliver the final blow to finish all Americans. I do hope names are reveiled that support such actions so I can do my part to support Americans by voting against this kind of people running for office.

Sincerely,

Douglas Wall
