

FASB Staff Issues Proposed Technical and Other Conforming Improvements for the 2022 SEC Reporting Taxonomy and Technical Guide

The Financial Accounting Standards Board (FASB) staff recently issued for comment the following:

- Proposed technical and other conforming improvements for the 2022 SEC Reporting Taxonomy (SRT) ([Release Notes](#))
(File Reference No. 2022-1100)

- Proposed SEC Reporting Taxonomy Technical Guide ([Technical Guide](#))
(File Reference No. 2022-1150)

The comment periods on the proposed technical and other conforming improvements for the 2022 SEC Reporting Taxonomy and the accompanying Technical Guide end on November 1, 2021.

Interested parties may provide comments on the proposed technical and other conforming improvements and the Technical Guide by emailing their comments to xbrl@fasb.org or by sending their comments to “Chief of Taxonomy Development, FASB 401 Merritt 7, P.O. Box 5116, Norwalk, CT 06856-5116.” Refer to the File Reference Numbers (located on the covers of the proposed Release Notes and Technical Guide).
